

MAKING CHRIST THE TARGET OF OUR LIVES

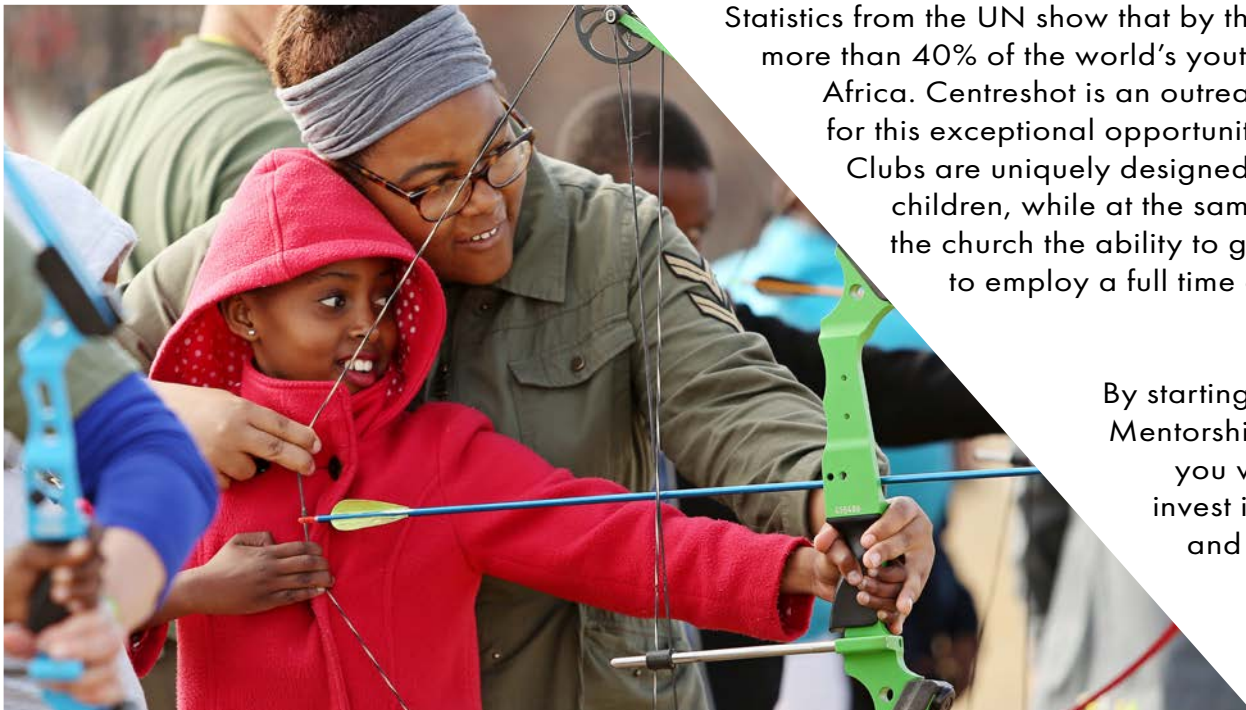

WHY CENTRESHOT?

Are you a pastor, leader or minister with a passion to impact the next generation? Centreshot is a ministry outreach programme that was designed to mentor and minister the Gospel to children through the sport of archery.

Statistics from the UN show that by the year 2030, more than 40% of the world's youth will be from Africa. Centreshot is an outreach tool ready for this exceptional opportunity! Centreshot Clubs are uniquely designed to minister to children, while at the same time, giving the church the ability to generate funds to employ a full time child or youth minister.

By starting a Centreshot Mentorship Programme you will be able to invest in the children and youth of your community in new and exciting ways.

“ My pastor believed in Centreshot and as a Church supported me. Within 9 months I was self-sustained financially. I saw kids get saved, baptised, and develop confidence as individuals. This is a great ministry tool for Churches to use in their communities. ”

- BANIE VAN TONDER, MOKOPANE CENTRESHOT

FOUR EASY STEPS TO START YOUR CENTRESHOT CLUB:

PASTORAL + CHURCH SUPPORT

Centreshot Clubs are built around the support of a pastor and their church. The support of the church mobilizes it's leaders to serve and minister within their local community.

CHAMPION

The church needs to identify a strong leader with a passion for children and youth to get started! This leader will run the Centreshot Club part time, and can potentially lead your children's or youth ministry the rest of the time.

TRAINING + EQUIPPING

A leader will be trained, equipped and supported throughout their Centreshot Club journey - Helping to maintain and manage the club with excellence. With multiple curriculums available for use - The young people in the club will continue to grow spiritually!

LAUNCH

Launch your Centreshot Club and impact your community for Christ!

A Centreshot Starter Kit is the church's initial investment, which in-turn generates funds for the church. By charging each child a monthly club fee, you are able to use those funds towards hiring a full time children's or youth minister.

You could further invest into your emerging leaders, by sending them to Reaching a Generation Leadership Academy for a fully accredited Vocational Certificate. Funds raised through the Centreshot Club can be allocated to educate as well as employ your children's or youth pastor. For more information visit: www.RAGLA.org

CENTRESHOT IS A PROGRAMME OF:

**REACHING
A GENERATION**

CHANGING LIVES
